

# MUHAMMAD MAGDY RASHAD

+2 (0)1200583603 ◇ New Cairo, Egypt

◇ Email: [iimhammadmagdy@gmail.com](mailto:iimhammadmagdy@gmail.com) ◇ [LinkedIn](#) ◇ [GitHub](#)

## OBJECTIVE

Computer science Engineer graduate with strong programming and problem-solving skills, seeking an entry-level role or internship to apply academic knowledge and support innovative software solutions with solid communication and presentation skills.

## EDUCATION

<b>Bachelor of Engineering (BE), Computer Science</b> , German University in Cairo	Oct 2019 - Oct 2024
Relevant Coursework: Machine Learning, Deep Learning, Data Structures, Algorithms	

**Bachelor's Thesis**, Ulm University Jun 2023 - Aug 2023  
Focused on recognizing American Sign Language alphabet using Convolutional Neural Networks (CNNs).

## SKILLS

<b>Programming Languages</b>	Java, Python, Haskell, Prolog, MySQL, Node.js, C, C++, SQL, HTML, CSS, JavaScript
<b>Technical Skills Languages</b>	FPGA, Microsoft Word, PowerPoint Arabic (Native), English (Intermediate), German (Beginner)

## CERTIFICATIONS

### Udacity

- *Software Testing with Visual Studio* Issued Jul 2022

### Google

- *Google Cybersecurity Specialization* Issued Nov 2025

### IBM

- *Generative AI for Software Developers* Issued Dec 2025

## EXPERIENCE

<b>Information Technology Intern</b>	Sep 2023 - Oct 2023
Mansour Group	Egypt

- Worked with SAP systems for improving IT infrastructure.

<b>Undergraduate Student</b>	May 2023 - Aug 2023
Ulm University	Germany

- Completed bachelor thesis on recognizing American Sign Language alphabet using CNNs.

<b>Machine and Deep Learning Intern</b>	Apr 2023 - May 2023
Ulm University	Germany

- Delivered presentations on "Machine Learning with PyTorch and Scikit-Learn."

## EXTRA-CURRICULAR ACTIVITIES

- Member of events planning team at GUCCGDG club.
